ONE – LOFT – RACE

Information for the FCI and National Federations and the applicants

RULES FOR THE CHAMPIONSHIP Mundial Ranking (World Ranking Championship) OF ONE LOFT RACES 2017-2018

While the World Championship by country is still being held until this day, at the Olympiad in Basel – Switzerland it was decided to start organizing FCI Grand Prix One Loft Races for individual pigeon fanciers, and ever since it has been a very big success, and consequently the FCI will continue promoting such competitions.

1. WHAT IS REQUIRED WHEN APPLYING TO ORGANIZE AN FCI ONE LOFT RACE:

A. To be able to be selected by the FCI Grand Prix Commission the Organizer has to have the authority of the National Federation of his Country who in turn is affiliated to the FCI. In a single year a maximum of 4 races can be approved for a country.

B. Once the federation of a country has given the permission to the loft of this country to participate for the FCI Mundial Ranking (World Ranking Championship), they cannot cancel this permission during the time of the competition when the organisation is in line with all the rules.

C. For the approval of a loft, the commission must take into consideration the previous results of the race applicant.

The owner of the loft is obliged to send a letter to the FCI Grand Prix Commission whereby he declares that he has read the rules and accepts them as they are.

is advisable to give them water also when tossing from 10km. The best way is to basket them the evening before the training and give them water.

C. The pigeons must have water at their disposal in troughs. But most important is the time of waiting to teach the pigeons to drink. Provide the pigeons water also with the training tosses \pm 40 km or more.

D. Prior to the release of any training or contest the pigeons must rest at the release point. We advise to wait an hour before releasing up to 100km, 2 hours for trainings between 100km and 300km and 3 hours for races/trainings longer than 300km.

E. Instructions for training distances during the last 2 weeks before the final race: 75% of the final race distance 2 weeks before the final race and a short training of maximum 120km 1 week before the final race.

7. LIBERATION OF THE FINAL RACE.

A. The liberation will be made when the meteorological conditions are good. It is possible to establish a buffer period of one to three days, eventually 1 week.

B. One should maintain the original distance which was mentioned for the one loft final races, and this distance may not be modified (300-500 km.) However, this distance can only be changed, due to bad weather conditions, when the appointed delegate of FCI agrees. The distance can never be lower than 300km.

C. The responsible person for the liberation, the organizer and the delegate of the FCI decide the liberation. For the release a voting system between these 3 people is used. A release is decide on a simple majority.

D. The responsible person for the liberation needs to have a proof of the release, confirmed by the chief of the transport and by some trusted person at the release point.

E. The organiser has to give the names of the people responsible for the basketing to the delegate of the FCI.

8. SUSPENSION OR CONTEST CANCELLATION.

The cause for cancellation of a competition to score World Championship points are the following:

- A. The failure to abide to the FCI regulations.
- B. Preventing access to facilities and inspection by delegates authorized by the FCI.
- C. Non-payment of the fee (€1.00 per pigeon) allocated to each one loft. These fee will need to be paid within 30 days after the last acceptance of birds to the loft. An invoice will be sent to the organisation. No payment before the final race, we can cancel for the points.
- D. Non-payment of travel, hotel and food expenses of the Delegate of the FCI.
- E. Not providing the results of the contest within 24 hours after the closing of the race.
- F. Failure of payment of the money to the winners within the 3 months after the final race.

9. AWARDING THE POINTS.

Price x 1000

Pigeons basketed x Distance

I.E. $8 \times 1000 / 500 \times 350 \text{ km.} = 0.045$

A. Fanciers or tandems can register up to 12 pigeons in a single race. Should you have more than 12 pigeons in the race, they will be split up in team A, B etc. Take care that the name you participate with is the same for team A B C etc. and also the same in all different races. If you fail to indicate during the original registration of the birds which belong to which team, then the organisation will automatically take the 12 pigeons with the lowest ring numbers in team A and so on. A name can be joined with a common group name, but the name of the fancier or tandem will

always precede the name of the group. The name starts with first name followed by family name: i.e. Carlos Prats – team FCI.

B. Only the 1st pigeon from every fancier counts for the points.

C. When a fancier cannot send pigeons to the one loft race due the international restrictions, the fanciers from other continents can participate by sending rings that are registered in their own country to be rung on pigeons breed in the country were the race will be held

D. In case of any complaint, please send a mail to frans.fcigrandprix@yahoo.com within 2 weeks after the publication on the website.

10. HONORARY AWARDS

A. The entry fee of the pigeons is to be paid by the fancier to the organizers of the one loft race.

B. When a race is cancelled by the FCI, the result does not count for the World Ranking Championship (Mundial Ranking). However, it will still count for the prizes offered by the Organizers.

C. The FCI Awards will be:

Trophy and gold medal for the winner

Trophy and silver medal for the second

Trophy and bronze medal to the third

Diploma and medals to the top 10 classified.

The cost for trophies and medals will be at the expense of the FCI.

D. Each Olympiad the Carlos Marquez Prats memorial Trophy will be awarded for the winner of the 4 best results over 2 years. The following price money is awarded for this competition: €500,00 for the first, €300,00 for the second and €200,00 for the third.

E. The award ceremony will take place at the Olympiad in **CITY, COUNTRY.**
